Dear Penny,

I just wanted to let you know how much I enjoyed spending the summer as a camp counselor with you. I can hardly believe that our experience together is finally coming to an end. Getting to know you has been one of the best parts of my vacation. Even though we only met this summer, I somehow feel as if we've been friends all our lives.

I hope that we'll be able to work together again next year. I'd love to get to spend another fun summer with you before we both graduate from school and go on to join the "real world." Until then, let's keep in touch! You have my number and email address, so please send me a message or text me now and then to let me know how things are going. It's been great getting to know you!

Talk to you soon,

Sophie
