Dear Mr Jenson,

I am writing to apply for the Office Manager Position at Michael Page, as advertised on jobsgalore.com. Over my 5+ years working as an Office Manager at People2People HR, I accumulated extensive experience and skills in office management. I wish to apply for this exciting opportunity at Michael Page as this job aligns with my goal to utilize my unique skills in a respected multi-national company.

In my role as an Office Manager at People2People HR, I have proven to be a reliable, professional and efficient manager. Given my responsibility to not only manage a team of five in a busy, medium-sized office, but also be primarily responsible for coordinating all office functions, I am accustomed to performing important tasks in a high-pressure environment.

I have continually strived to improve the functionality of my workplace by developing and implementing new administrative systems. I was repeatedly commended for my ability to pinpoint areas for improvement and to execute successful solutions to office efficiency problems, manage staff performance and appraisals, and establish a top-performing team.

Michael Page would benefit from my superior skills in the following areas:

- More than five years experience managing front and back office administration
- Serving as a reliable and trusted assistant to a number of senior executives
- Strong experience managing company budgets, policies and procedures
- Supervising and hiring clerical staff; administering records management systems, event planning; preparing reports and presentations
- High computer proficiency including MS Office Suite, QuickBooks and Lotus Notes

I believe that my combination of experience, skills and positive attitude makes me an ideal candidate to fill this position.

If there is any more information you would like me to provide, please do not hesitate to

Sincerely,
Maria Mathers
