

My dearest love,

I love you more than enough to fight for you, compromise for you, and sacrifice myself for you if need be.

I love you more than enough to miss you incredibly when we're apart, no matter what length of time it's for and regardless of the distance.

I love you more than enough to believe in our relationship, to stand by it through the worst of times, to have faith in our strength as a couple, and to never give up on us.

I love you enough to spend the rest of my life with you, be there for you when you need or want me, and never ever want to leave you or live without you.

I'm madly in love with you this much.

Yours forever,

Rita
